## ABOUT ME

I am dedicated & self-motivated, versatile, concept-driven designer with experience in Branding and Packaging design, Print, P.O.S advertising across UK, Europe and emerging markets such as India and Middle East. I love Design, Unique Typefaces and Illustration. I am a great team player and hard working problem solver. Currently I am looking for a new challenge, where I could put my extensive experience and acquired skills to good use while growing both personally and professionally.
